**A BIG Thank You**
Management would like to send out a thank you to all of our residents who renew their leases with us year after year. When you make this community your home for an extended time, it reassures us, as well as your neighbors, that it is a wonderful place to live!

**Artsy Eggs**
Add a creative twist to your dyed Easter eggs by carefully stretching rubber bands of various widths around the hard boiled eggs. Dip the egg into the colored dye, soak it for a few minutes, remove, and let dry. Remove the rubber bands to see what fun designs they left behind!

**Pet Peeves**
In order to keep this a pet-friendly community, dogs must be on a leash when they are outside of your apartment, even if it is only for a few minutes. Thank you for cooperating!

**Lost Apartment Keys**
It’s never a good idea to put your name and/or address on your key ring. If you ever lose your keys, this puts you at risk by having your personal information in the hands of whoever finds them. This is especially important with children who tend to lose things more easily.

**Take a Walk!**
No really, take a walk. This low impact exercise is gentle, free and so good for you. Regular, moderate exercise gets the blood flowing to improve heart function, burn calories, increase energy and boost vitamin D levels.

**Proud Parents**
Recently our own Sergio Guerrero, Jr. son of Nicole and Sergio was listed in the local paper as one of Forest Park’s 7th grade Honor Roll students. Way to go Sergio!! We’re happy and proud to have you living here at Crystal View Apartments!! Keep up the good work :)!

**Happy Birthday**
If you see Sergio Guerrero, Jr on April 5th wish him a Happy Birthday and Happy Easter!!

**Congratulations!!**
To Kathy Pitts for being the winner of our first $100.00 Referral. She referred Andy Goldberg to Crystal View. Thank you Kathy... we appreciate your efforts!!

Internet Tidbit: Word Frequency Counter
A good writer knows that varying the frequency of words leads to richer, more creative writing. It is a common mistake to use the same word over and over in an essay, article, or web posting. Instead of trying to pick out repetitive words, head over to WriteWords.org.uk/word_count.asp. Enter a selection of text, it will then list the words you’ve used and the number of times they are found in your writing. By identifying these repeated words, you can then replace them with synonyms or different phrasing. This free site will help your writing shine.

We do not inherit the earth from our ancestors. We borrow it from our children.

April is upon us with the smell of freshness in the air! So, too, are the movies with revisits to a couple of our favorite themes as well as fresh adventures for the “movie lover” in all of us!

Furious 7
Featuring an all-star cast and Paul Walker’s last screen appearance, Deckard Shaw (Jason Statham) seeks revenge against Dominic Toretto (Vin Diesel) and his family for the death of his brother. Also starring Dwayne Johnson, Michelle Rodriguez, Kurt Russell, Djimon Hounsou, and Tyrese Gibson. (PG13 – 140 minutes)

Paul Blart: Mall Cop 2
The action/comedy co-written by star Kevin James continues! After six years of keeping our malls safe, Paul Blart has earned a well-deserved vacation. He heads to Vegas with his teenage daughter before she heads off to college. But safety never takes a holiday and when duty calls, Blart answers. (PG)

The Age of Adeline
The world has changed in the last century, but Adaline has not. It features a young woman (Blake Lively), born at the turn of 20th century, she is rendered ageless after an accident. After years of a solitary life, she meets a man who might be worth losing her immortality for. Also starring Harrison Ford and Ellen Burstyn. (PG13 – 110 minutes)

Woman In Gold
Helen Mirren stars in this story as Maria Altman, an octogenarian Jewish refugee, who takes on the government to recover artwork she believes rightfully belongs to her family and misappropriated during the occupation of WWII. Also starring Ryan Reynolds, Katie Holmes, Elizabeth McGovern, and Jonathan Pryce. (PG13)
